The Power Of Story

For In The Begining Rome / Egypt / Greek Were To High For The Common MAN

There Was A Fusion In Mythology's = Some Hidden For MAN Was Not Ready To Perceive Their
Greatness At Certain Points On The Globe Or In Time

So WE Will Keep The Lesson Breif To Show You A Frame Work Of UnderStanding

For Science = The Story Holds The Scientific Principle With Out Revealing The Formula For The
Story Is The Proccess To The Mathematical Formula = Raising A Child = Tip Not Every One Can
Go Straight To The Answer = Their World Frame Work Breaks And Few Can Reconfigure =
Thinking Outside The Box

For The Sake Of The Lesson / Play WE Shall Put Each Mythology In A Place = Parts Hidden / Parts
Shown To Relay 1 Of Many Formulas

So Shall A Begin This Small Tale

For Rome And Egypt Were Cosmic In A Scientific Sense / Ratio = Myth / Science = $1/2 = 1/4$

Greek Was For The Love Of The Story = $2/1 = 4/1$

For The Love Of The Story Is For The Common MAN

For The Formula Was For The Curious Cat (Look How They Look) / Curious Mind

For Advanced Science Is Used To Understand The Roman Plants/Mythology

For Advanced Science Is Used To Understand The Eygption Planetary / Cosmic Memory Vault

For Advanced Science Is Used TO Understand The Greek Proccess Of The Mind For Story To
Science

The Danger Of This Tale Is That The Advance Language Of The Eygption Works, In The Longivity
Of The Tale

For You Do Not Need A Tongue To Relay The Story

The Less WE Go Into The Matter The Better For The EGO Of MAN Is Fragile

Now Know Man That There Is More Magic Or Wonder To This Cosmos Than You Know / For All
Is Know Yet Not Know To You
